

# Create Your Perfect Menu: Tailored to Your Dream Event

We take great pride in creating bespoke experiences for each event.

If you have a menu in mind, whether it's a three-course meal, bacon cobs, grazing tables, or something completely unique. Our team is here to bring your vision to life.

Share your ideas with us, and your dedicated events manager will work closely with our chefs to craft the perfect meal for your dream day/evening, no matter the size or scale. Let us tailor every detail to suit your unique vision!

Final numbers, dietary requirements & payment must be received 6 weeks prior to event date. Menu choices are subject to the supplier's ability to supply & season.
